

# **AACEI & CMAA Seminar**

## **CALL FOR PRESENTATIONS**

**May 11<sup>th</sup> Annual Seminar  
“Project Controls Showcase”**

**This year’s seminar will highlight Midwest project-based presentations featuring various forms of project control techniques. AACEI Chicago Midwest section and CMAA invite you to submit a proposed presentation for consideration. All submittals are due ASAP using the attached application form.**

### **Criteria for consideration:**

- 1) Projects must be currently under construction or completed within the last two years.**
- 2) Topics to include scheduling, cost control, estimating, risk assessment, value engineering and other techniques highlighting new and evolving project controls.**
- 3) Project locations within the Midwest.**
- 4) Selection preference given to Presenters with active AACEI Chicago Midwest or CMAA membership, although all applicants welcome.**
- 5) Maximum submission of 2 projects per company.**

**Presentations will be 45 minutes in length.**

**Judging will be conducted to select “Project of the Year” award with national publicity to follow in COST ENGINEERING.**

**Submit applications to Don Giegerich before March 16, 2012**

**Email: [dongiegerich@sbcglobal.net](mailto:dongiegerich@sbcglobal.net)**

**Questions: call Don Giegerich @ (630)745-9026**
